

# When Can I Go and Meet With God?

*from the heart*

---

*E (capo 2 D)*

1.

**E(D)            B(A)            F#m(Em)            A(G)**  
When can I go and meet with God,    and pour out my heart?

**E(D)            B(A)            F#m(Em)            A(G)**  
Where can I find His arms of love,    and bathe in His light?

**E(D)            B(A)            F#m(Em)            A(G)**  
What can be done to still my soul?    I'll rest in His Word

**E(D)            B(A)            F#m(Em)            A(G)**  
How can I learn to hear from God?    I'll soften my heart

## Chorus

**E(D)    B(A)    F#m(Em)    A(G)**  
*Here I am,    move    in me*

**E(D)    B(A)    F#m(Em)    A(G)**  
*Burning flame,    gentle    breeze*

**E(D)    B(A)    F#m(Em)    A(G)**  
*Stir my heart,    help    me see*

**E(D)    B(A)    F#m(Em)    A(G)    E(D)**  
*You're all    in all,                    and all to me*

2.

You are the One who saves my soul, and calls me to life  
You are the reason that I need, to give You my heart  
It's safe to surrender my control, for now I can see  
There's nothing so good in all the world, as You are to me!
