Asus B E | **E** | **Asus** | **B**
The Cross of Christ, to bring us back to You

2.

In ev’ry age and time, we choose to worship You
To turn our backs on earthly idols
In darkness, sin and strife, the nations search for You
In power and glory
None compare with You!
You’re holy faithful
Loving and true!

3.

The day will soon be here when You will come again
And all our lives are placed before You
But You hold back the hour, so all can come to You
In humble repentance
Acknowledging Your truth
Receiving forgiveness
So we can reign with You!
