(rest) **D Bm**
Will I let You take Your word and place it in me?

D A D
Will I let You break my bonds and set me free?

2.

Will I sit and watch the world try to deceive me?
Will I see the hungry die and orphans bleed?
Will I stand and fight for truth and love and justice?
Will I sit at home – be numbed by my TV?

Jesus, Jesus,

Jesus, Jesus,

Can You give me eyes to see the Father's business?

Can You help me care for someone else but me?

3.

I will stand and take the cross that Christ has shown me
I will speak the name of Him who died for me
I will pray for friends to know this blessed Saviour
I will offer them the love that rescued me.

Jesus, Jesus,

Jesus, Jesus,

I will fix my eyes on Jesus Christ the Saviour

I will reach out to the lost in Victory!

4.

You have paid the price to raise up sons and daughters
You forgave our sins and bled upon a tree
You redeemed our lives from fear and doubt and darkness
You have given life and love and liberty!

Jesus, Jesus,

Jesus, Jesus,

You will come again to claim the faithful hearted

You will call us home to live eternally!
